

Review Bin (EHR)

View Countdown Timer for Sunset of the Classic Review Bin

We have added a countdown timer to EHR that displays on the Classic **Review Bin** to indicate when the **Review Bin** will be sunset.

On January 28, 2021, you will no longer be able to access the **Review Bin**, and the **Review** option will be removed from the **Home** menu in EHR. Use the Dashboard Donuts and Worklist to review and sign items, just like you could in the **Review Bin**.

Go to **Home** | **Review**.
