Family History - Changes for 2015

Andrew Smith - 2015-04-24 - IMPORTANT -Must Read for AdvancedMD Users

You will notice that the Family History section of your templates has increased from 1 field to 3. This change was required by Meaningful Use and incorporates the use of SNOMED codes in each field for tracking purposes.

The new fields look like this:

These fields will *not* autofill from visits prior to 2015 and they must be addressed for each visit. If there are no family history items to note, this must be documented.

Ware Langhorne & Associates, Inc. is dedicated to helping physicians meet their meaningful use requirements.
